**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In my city of Davis, CA, we have only two cable internet providers, ATT and Comcast, and one competitive local DSL provider, Omsoft. I get both DSL and telephone landline service through Omsoft, at half the price I used to pay to ATT. We need more local competition, not less. Please do not remove competitive providers' access to copper landlines.
